C. Memo for C/OL/P&PD, C/OTS/GAD, C/NPIC/PSG, and
C/OGCR/Admin; from C/PMCD/OP; dated 23 November 1977;
Subject: Retroactive Pay Adjustment for Certain
GP and GA positions--7 August 1977 to 18 June 1977.

(U/AIUO) GPO Notice 640-45 (Ref A) established retroactively a single effective date of 18 June 1977 for all 1977 wage increases in the Central Office, except for bindery assistant personnel whose rates were effective 3 July 1977 (Ref C incorrectly included bindery assistant rates as effective 19 June 1977). Therefore, the wage increases for supervisory and apprentice personnel (Ref B) are to be adjusted retroactively from 19 June 1977 to 18 June 1977. It should also be noted that the wage rates for GP and GA bookbinder supervisory and apprentice personnel have already been adjusted retroactively to 18 June 1977, per GPO Notice 640-47, dated 19 December 1977.
